## Message From Principal

“At ICS Mahesh PU College, Dharwad, we believe that education is not just about acquiring knowledge, but about shaping character, building confidence, and nurturing the dreams of every student. Our mission is to provide a learning environment where curiosity is encouraged, values are strengthened, and excellence becomes a habit.

We are committed to offering quality education, strong discipline, and continuous support to help our students grow academically and personally. With a dedicated team of lecturers, well-equipped facilities, and a student-centered approach, we strive to prepare every learner for a bright and successful future.

I warmly welcome all students and parents to join our ICS Mahesh PU College family and be a part of our journey towards progress, innovation, and holistic development.”

**B.C. Patil**

Principal,

ICS Mahesh PU College, Dharwad

## Alumni words

We the proud alumni of ICS MAHESH PU college, Dharwad, feel truly grateful to have been part of this wonderful institution. The college has given us not just education, but values, confidence, and lifelong memories. The guidance of our teachers and the encouragement from the management helped us grow in our hearts a place where our dreams began and friendships blossomed

**Srujana Kulkarni** (MBBS-Gadag)

ICS MAHES PU college has been more than just a college – it's a family. The teachers here shaped not only our minds but also our character. I'll always cherish every moment spent here.

**Satish** (AIIMS)

ICS MAHESH PU college, Dharwad, gave me the best years of my student life. The guidance of our teachers and the friendly environment made learning enjoyable and meaningful

**Prajna Bhat** (B.E. in MS Ramiah College, Bangalore)

I had a beautiful experience with this premium institution. My Educators not only taught academics but also taught us morality and human values. One of the finest Education systems across north Karnataka. Student are motivated and guided under qualified faculties to produce best results.

**Prashant Budihal** (AIIMS)

I am glad my parents chose a great college for me after SSLC- one of the best colleges in north Karnataka. Being a Kannada medium student, I initially had a fear of choosing the science stream but every lecturer in our college was humble, caring, and possesses strong teaching skills. They were supportive and truly experts in their respective subjects.

**Abhishek Badakundri** (BAMS Belthangady)

## College Amenities

Personalized Attention

Well planned revision & test series

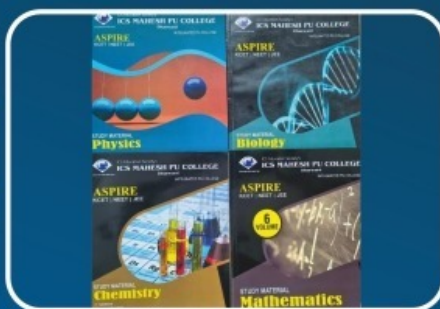

Limited batch size

Technology aided teaching

Special NEET KCET & JEE Coaching

## Laboratories:

Our college has well-equipped Physics, Chemistry, Biology, and Computer Science laboratories that fully support CBSE/NCERT experimental requirements. Each lab is furnished with modern amenities and updated equipment, providing an excellent environment for hands-on learning and enhancing the cognitive skills of students.

ICS Mahesh PU College provides separate hostels for boys and girls, ensuring a safe and homely environment for all residents. The hostels are designed to offer comfortable, well-furnished, and spacious rooms along with comprehensive facilities. Daily study hours are conducted after college exclusively for hostel students to help them maintain academic discipline. In addition, regular career guidance sessions are held throughout the year to help students make informed career choices.

## Hostel

## Transport Facility

ICS Mahesh operates a fleet of buses covering all major areas of Dharwad city for the convenience of students, staff, and faculty members. Our transport system ensures safe, reliable, and timely travel to and from the campus.

## Career Guidance

**Career Guidance**  
Comprehensive career guidance sessions are organized throughout the year to help students understand their strengths, explore opportunities, and choose the right academic and professional pathways.

## One to One Mentorship

**Cutting-Edge Learning** We provide an interactive and immersive learning environment supported by modern teaching methods and technology. **One-to-One Mentorship:** Personalized guidance is given to help each student realize their full potential. **Real-Time Performance Updates:** Test results and academic updates are regularly shared with parents through dedicated groups.

## Scholarship test

ICS Mahesh PU College conducts a Scholarship Test every year to encourage and support meritorious students. The test provides an opportunity for deserving learners to earn partial or full fee concessions based on their performance. It is designed to identify academic potential, motivate students to excel, and make quality education accessible to all. Students who perform exceptionally well receive recognition, guidance, and financial benefits to continue their studies with confidence.

## Parent - Teacher Meeting

We believe that parents are essential partners in a student's academic journey. ICS Mahesh ensures active parent engagement through: Regular updates on academic performance, attendance, and test results. Scheduled Parent-Teacher Meetings (PTMs) to discuss progress and provide personalized feedback. Direct communication channels for parents to stay informed about events, notices, and student activities. Involvement in guidance and counselling programs, helping parents support their child's aspirations and growth. Our goal is to build a strong parent-college partnership that supports the overall development of every student.

# Sports & Games

Sports and Games play a vital role in developing discipline, team spirit, and self-confidence. Our college promotes a healthy lifestyle by encouraging students to participate in various sports and games. ICS Mahesh hosts numerous sporting activities throughout the year to help students showcase their talents and perform at their best.
